## Tesla Forum -

The TESLA FORUM is a community non-profit organization dedicated to the legacy of Nikola Tesla, scientist and inventor, whose life and work symbolize the triumph of science, peace and cooperation among nations. The Forum's mission is recognition of Nikola Tesla's work and his contribution to the modern world.

## History -

November 2003 – Tesla Forum established as a community group in Perth, Western Australia.

20 April 2004 – Tesla Forum of WA Inc. incorporated in Western Australia.

HRH Princess Elizabeth and Dr Vujo Knezevic

## ANNUAL GENERAL MEETING

Yes it's that time again! Our fifth annual general meeting. This year it is being held at

19 Beatrice Street, DOUBLEVIEW from 2:pm  
Contact phone is 0417 935556

You should be receiving your AGM package in the mail very soon now. Please look out for it and come along, it is your chance to see how your TESLA FORUM COMMITTEE works. For anyone who would like to get a little more involved, this is a good opportunity to let us know. There is always a celebratory feeling too, after another successful year. WE ARE LOOKING FORWARD TO SEE YOU!!

## TESLA FORUM DINNER with PRINCESS ELIZABETH

You may be aware that Princess Elizabeth visited Perth recently. Tesla Forum was invited to organize a small reception for her and this was held by way of a committee members' dinner at Friends Restaurant in Perth. It was a lovely evening and our Chairman, Dr Vujo Knezevic, gave an address relating Tesla Forum's activities over the past five years. Also present was Bishop Irinej who is one of the driving forces behind the Tesla Memorial Society of New York Inc and has a special interest in Tesla Forum! Their best wishes and congratulations were given to Tesla Forum on the excellent work we have been doing.

## CHRISTMAS PICNIC - GRAVITY DISCOVERY CENTRE GINGIN

On Sunday 7<sup>th</sup> December the Tesla Forum end of year PICNIC will be held at the Gravity Discovery Centre in Gingin. Look out for details of maps and entry fees, but for now KEEP THE DATE FREE. More details are available on [www.gdc.asn.au](http://www.gdc.asn.au)

It will be a wonderful opportunity to take the family up to Gingin and we are working on arranging an organized tour of the facility from 11.00am. Following this we will have a BRING YOUR OWN EVERYTHING picnic in the grounds. There is a café there for anyone who would rather buy lunch.

## TESLA'S COLUMBUS EGG ON DISPLAY AROUND WA!

UWA Physics Dept team has been taking the Columbus Egg display (donated by Tesla Forum!) recently to a number of outreach activities such as during the Bunbury Regional Science Awareness Programme attended by a thousand year 10 & 11 students living in the Bunbury area and surroundings. The display was also part of the School of Physics Display at 'Shopping Trolley Science' which was a 2-day event held at the Carousel Shopping Centre, in conjunction with National Science Week.
