16th June 2005

Dear Branislav Grbovic

Thank you very much for your letter dated 12th June 2005.

I am very pleased to learn about the initiative taken by the Tesla forum of WA Inc on the proclamation of "International Nikola Day" on July 10th.

I personally as an Electrical Power Engineer am aware of Tesla's contribution to power and machine area, but was overwhelmed by the transcript of achievements of Nikola Tesla given in your proposal for: "International Nikola Tesla Day".

I am fully supportive of your application to the United Nations for July 10th to be declared as the "International Nikola Tesla Day".

Best regards,

Professor Syed Islam
Head of Department
Electrical & Computer Engineering
